## Approval & Accreditation

## About Ph.D Programme

Admissions to Ph.D. programs at Dr. Preeti Global University campuses are conducted twice a year, for January and July sessions.

A Ph.D. program is offered in two modes- Full time and Part time. A Full-time Ph.D. scholar shall mean a candidate devoting full time for completing the requirements of the program and a part- time Ph.D. scholar shall mean a candidate who is devoting a part of his time towards the pursuit of the program while discharging his official/ employment obligations.

Ph.D. full time is for minimum 3 years and Ph.D. part time for minimum 4 years. Maximum duration in case of both the modes is 6 years.

Coursework, participation in various interactions, submission of progress reports through presentations etc. on regular basis is mandatory during the program.

The University encourages interdisciplinary research and exchange of ideas and knowledge in various related fields.

The main Guide for the scholar during the Ph.D. program will be from Dr. Preeti Global University, appointed as per the research topic and Guide availability.

Part time Candidates should ensure that, there will be a requirement to have a Co-guide. External Co-Guide will however be appointed only after his/her profile is approved by the university authorities. The University is being associated with various research laboratories of Govt/Semi-Govt. and industries in various disciplines and various Libraries and E - resources.

The University has good number of recognized Guides/ Research Supervisor having vast experience with specialization in different disciplines, many industrial experts as Co-Research Supervisors/Co- guides, Emeritus Professors, Adjunct Professors and experienced Advisors from reputed institutes.

The University is student-friendly and provides proper guidance to the students right from Research Proposal to Synopsis, final dissertation and ensure scholar to complete best research work, additional knowledge, well within the time frame.

## Student Support

**Academic Support:** The University is student-friendly and provides proper guidance to the students right from Research Proposal to Synopsis, final dissertation and ensure scholar to complete best research work, additional knowledge, well within the time frame.

**Professional Development:** Provide workshops, seminars, and networking events aimed at enhancing students' research and career skills.

**Campus Life:** The campus serves as a hub for academic activities, social interactions, and various events. It's where students attend classes, participate in extracurricular activities, live, eat, study, and engage with peers and faculty members. Additionally, the campus often reflects the culture and identity of the institution, with its architecture, landscaping, and overall atmosphere contributing to the overall experience of being a part of that particular college community.
