ABOUT US

Vikrant University, a pioneering educational institution, is dedicated to fostering top-notch education not only in Madhya Pradesh but also across the nation and beyond. The inception of this noble initiative occurred in the year 2007 with the establishment of the Vikrant Group of Institutions (VGI) in Indore. The exponential growth and unprecedented achievements of the institution can be attributed to the dynamic and visionary leadership of Shri R. S. Rathore, the founder chairman of the group and the esteemed chancellor of Vikrant University.

Distinguished for its diverse academic offerings, Vikrant University provides a comprehensive array of courses spanning Engineering, Computer Applications and IT, Legal Studies, Management

& Commerce, Agriculture Science, and other disciplines. Presently, the university boasts an impressive portfolio of over 80+ UGC recognized Diploma, UG, PG, and Ph.D. programs, catering to a vibrant student community of approximately 5500+. Beyond the walls of academia, our influential alumni serve as global ambassadors, leaving an indelible mark in esteemed organizations worldwide.

As Vikrant University continues its journey of imparting value-based higher education to society, it remains committed to scaling new heights, aligning with the goals of the new education policy, and propelling the nation forward.

VISION

To produce a good human being capable of rational thought and action, posing compassion and empathy, courage and resilience, scientific temper and creative imagination with sound ethical values for building an equitable, inclusive and plural society as envisaged by the constitution of India.

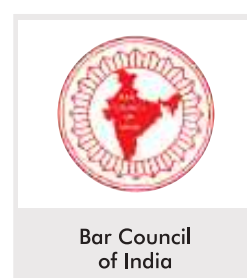

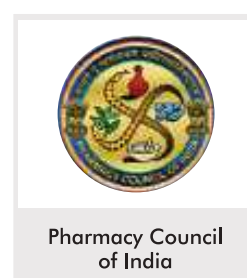

MISSION

To develop an education system rooted in Indian ethos that contributes directly to transforming India, that is Bharat. Developing an equitable and vibrant knowledge society and thereby making India a global knowledge superpower to produce highly talented professionals to take challenges of the future.

MESSAGE

I wholeheartedly congratulate the Vikrant Group of Institutions on the significant milestone of moving up from being a college to becoming a university.

Over the past decade, the Vikrant Group of Institutions has continually demonstrated a commitment to the highest possible standards in the area of education, research, and community engagement. Their journey from a college to a university shows the hard work and vision of their teachers, staff, students, and everyone involved.

I strongly believe that Vikrant University will continue to foster an environment that encourages curiosity, critical thinking, and innovation. I am certain that the students of Vikrant University will be the ones to lead the way in terms of making progress, bringing new ideas, making positive changes, and creating a better and brighter future for everyone. I am confident that the university will also make a greater contribution to meeting the objectives of Vision Viksit Bharat @2047.

Prof. Bharat Sharan Singh

Prof. Bharat Sharan Singh

MESSAGE FROM CHANCELLOR

SHRI RAKESH SINGH RATHORE

To the generation who can shape the future

I would like to welcome you to the place where learning is more than just sitting in a classroom. At Vikrant University, in each of our students, we see and help grow the leader who is likely to do well and be a good example in many areas. They have been the best managers from our management school, engineers from our engineering school, and even lawyers from our law school. Our graduates are more than just good at their jobs; they are also known for being creative thinkers, business starters, teachers, community helpers, leaders, soldiers, and big dreamers.

Vikrant University is all about bringing together smart and successful people, whether they are students or teachers. Even though the world loves fancy buildings, the latest gadgets, and having lots of things, our university stays true to its roots while also adapting to modern times. This helps us teach people to love the simple joys of life. Our remarkable teachers, who have extensive experience and knowledge, show the true essence of learning. Our graduates, who have done great things all over the world, prove this.

When you look through this prospectus, you will see the kind of place we have made for young people who think education is important and it is not just a way to get a fancy job. We care about more than just building things; we have made a place at Vikrant that has helped many young people think bigger. We have taught generations of students in a way that improves every part of life, and now our graduates are making a big difference wherever they go. We focus a lot on research and working with local businesses, which really helps our students become successful in their careers.

I invite you to engage in future interactions with our students and graduates who are employed in diverse fields. I am sure you will see the value of the journey they have had at Vikrant. While we could talk a lot about the amazing things at Vikrant University, it is you who will keep our spirit alive and make a mark on the world.

I am excited to have you join our family of thinkers, explorers, and creators, and I am eager to see how you will help shape our society.

MESSAGE FROM PRO - CHANCELLOR

Mr. NITIN SINGH TOMAR

“We are what we repeatedly do. Excellence then is not an act, but a Habit”, Aristotle

It gives me immense pleasure to share my thoughts at this platform that has grown over the period of time that seems to fly away like it was yesterday. The day when the foundation stone of Vikrant Group of Institutions was laid, there was no infrastructure but just a dream and a vision in the eyes of our Chairman, Sh. Rakesh Singh Rathore, who was busy not just coordinating several events and segments but was obsessed by the vastness of his dream which may certainly seem to be an impossibility to a common man, but at Vikrant, we believe to do what cannot be done.

With the motto of “Dream your dream with open eyes and rest not till you achieve them”, we moved ahead. This was the spirit of Vikrantians that was inculcated by the Chairman in all of us and this is what we have strived for, nothing but perfection. I have been a part of this journey since inception and the great delight that I take in this Goal seeking journey is the student-centric approach. We take pride that we at Vikrant do focus all our activities and energies towards the betterment of the student's fraternity. It is the students that are our motivating and guiding force, it is they that constantly motivate us to keep exploring

for new avenues and greener pastures that may open vast opportunities for us. Vikrant University has been such an endeavor for us and thus small plant has become a big tree. When we, at Vikrant Group had thought that we have attained what we have dreamt of, it is then new dreams and goals were conceptualized by our Chairman, the great revolutionary personality, Sh. Rakesh Singh Rathore. As we are always amused by the enterprising and fearless spirit of his, who imbibes by the never-tiring attitude, in the words of Swami Vivekanand “Arise Awake and Stop not till the Goal is reached”.

On behalf of entire Vikrant family I take pride to be a part of the great endeavor in the form of “Vikrant University, Gwalior” and wish that we all, students, staff, faculties and management members would contribute every bit of our knowledge, experience and hard work into the building blocks that would give the University not only a strong foundation but also a status of an Institution that would eradicate illiteracy and dedicate itself for the betterment of the Society and the Nation as a whole.

Jai Hind, Jai Bharat!

MESSAGE FROM PRO - CHANCELLOR

Mr. VIKRANT SINGH RATHORE

Welcome to a transformative journey of innovation and learning at Vikrant University, where your life will be reshaped by new experiences and knowledge. Our university was conceived with the ambitious goal of establishing a contemporary hub for learning and innovation—an ultra modern village that fosters growth and creativity. As we have nurtured this vibrant environment, every moment spent on our campus has propelled the Vikrant community to exceed expectations and venture beyond conventional thinking.

Today, Vikrant University stands as a testimony to excellence, having garnered accolades both nationally and internationally. It is with great pride that I share this achievement with you, for as you join the ranks of our students, you become part of an institution recognized among the elite. Our alumni, coming from

diverse corners of our nation, have honed their ideas within these walls, seizing opportunities to advance and shape their professional journeys. Their success stories are the wind beneath our wings, inspiring us to rise to new heights.

The experience at Vikrant is unparalleled. Here, you will engage with local communities, tackle real-world issues, and feel the rush of making a tangible impact. Our campus is alive with a plethora of clubs and peer learning platforms, all designed to unlock the full potential of your life. My advice to you, dear friends, is to embrace the challenge each day brings and immerse yourself in the vibrant life of our community.

I extend a warm welcome to you at Vikrant University, where your adventure awaits.

MESSAGE FROM VICE CHANCELLOR

Dr. MANISH K. SRIVASTAVA

It's a great pleasure for me to be a part of Vikrant University and I take this opportunity to welcome students coming from all parts of the country and abroad, joining various academic programs of Vikrant University.

Students are the most prominent assets of this university and our greatest endeavour has been to provide them with the best learning facilities and empower them to be the flag bearers of change in building the nation.

A strong teaching pedagogy and academic environment will give you the opportunity to enhance your leadership skills, managerial skills, Technical

skills and entrepreneurial skills by organizing and participating in various events on the university campus like conferences, seminars, workshops, Business Plan Competitions, Tech-Fests, Sports events, Cultural programs, Social activities etc.

The University also offers various International Training and Tours as a reward for academic excellence with our International tie-ups to give International exposure to our students.

A very unique Centre of Excellence at the University campus will help to prepare and equip the students with all advanced knowledge as per the industry requirements to ensure employability.

MESSAGE FROM REGISTRAR

Ms. SHIVANI TIWARI

I'm excited to invite you to Vikrant University, an institution ready with the future of education, full of innovation, learning, and discovery. We at Vikrant believe that education is more than just books and tests. It is about growing as a person and getting ready for the real world. We now live in a very complicated world where knowledge has grown quickly but not understanding; a world where people have lost faith; a world that has created amazing technologies but has also made people secluded, leaving them to question the meaning of life and even the worth of human endeavour. Vikrant University is ideally positioned to answer these concerns and prepare students to live in such a world and to develop better answers to

everyday challenges. Our goal is to help you become more successful while also making the world a better place. We are dedicated as a university to learning new things and sharing what we already know in a way that respects our national cultural and social history. We are proud to give our students a chance to learn about the world. Faculty members at Vikrant University work closely with students to help them do well to ensure their academic success. They do this by teaching and learning, mentoring, and providing personal support. Our team of teachers, students, and graduates wants to be a force for change in the world.

Here at Vikrant University, the beginning of your future awaits you!

ACADEMICS

VU PEDAGOGY

Vikrant University's educational foundation is firmly rooted in the principles outlined by the National Education Policy (NEP), serving as a guiding force for its pedagogical framework. The university is committed to cultivating a dynamic learning environment that embraces exploration, creativity, and critical thinking. With a strong emphasis on a comprehensive approach to education, Vikrant University adheres to the Choice Based Credit System (CBCS), allowing students the flexibility to shape their academic journey based on individual preferences and aspirations.

What truly sets Vikrant University apart is its commitment to non-traditional career streams and programs, driven by the overarching ideology of "leadership through learning." This unique perspective encourages students to transcend conventional boundaries, cultivating a spirit of curiosity and adaptability.

Vikrant University stands out for providing top-notch education through systematic pedagogical procedures, with a focus on practical learning outcomes.

COMPREHENSIVE PEDAGOGICAL FRAMEWORK

Academics

- Core courses
- Discipline electives
- Ability and skill enhancement course
- Project based learning
- Assignments
- Class presentations

Co-Curricular Activities

- Industrial visits

VU PEDAGOGY

Vikrant University's educational foundation is firmly rooted in the principles outlined by the National Education Policy (NEP), serving as a guiding force for its pedagogical framework. The university is committed to cultivating a dynamic learning environment that embraces exploration, creativity, and critical thinking. With a strong emphasis on a comprehensive approach to education, Vikrant University adheres to the Choice Based Credit System (CBCS), allowing students the flexibility to shape their academic journey based on individual preferences and aspirations.

What truly sets Vikrant University apart is its commitment to non-traditional career streams and programs, driven by the overarching ideology of "leadership through learning." This unique perspective encourages students to transcend conventional boundaries, cultivating a spirit of curiosity and adaptability.

Vikrant University stands out for providing top-notch education through systematic pedagogical procedures, with a focus on practical learning outcomes.

INTERNATIONAL CELL

International Cell at Vikrant University is a dedicated hub committed to providing students with unparalleled global exposure and fostering a dynamic learning environment. Recognizing the importance of a well-rounded education that extends beyond borders, Our International Cell strives to create opportunities for students to engage in international collaborations, exchange programs, and cross-cultural initiatives, empowering them to thrive in an interconnected world.

The International Cell at Vikrant University actively facilitates and promotes the following collaborative activities with universities and organizations abroad:

- Students and Faculty Exchange Program.
- Collaborative Research, Development and Innovation.
- Admissions for foreign students at Vikrant University
- Organize and participate in joint international conferences, seminars, workshops, symposiums, and webinars.

MOU WITH MIDDLESEX UNIVERSITY DUBAI

In pursuit of global exposure, Vikrant University has forged a significant collaboration with Middlesex University Dubai through a Memorandum of Understanding (MoU). This agreement marks a pivotal step in fostering academic exchange and elevating educational experiences for both institutions on a global scale. This strategic partnership holds immense potential, promising advancements in education, research, and global understanding.

EDUCATIONAL TRIP TO DUBAI

Vikrant University is dedicated to providing students with more than just an academic experience; we aim to broaden their horizons and instill a global perspective. As part of this commitment, we organize enriching trips to Dubai, offering our students the opportunity to think globally, gain a broader perspective on life, and acquire a truly global outlook that extends beyond their academic pursuits.

Vikrant University consistently embraces participants from diverse corners of the globe, fostering camaraderie and cultural exchange. The university actively organizes regular interactions with foreign and NRI delegates, creating valuable opportunities for cross-cultural engagement and knowledge exchange.

FOSTERING GLOBAL ALLIANCES

Advancing Technical Education & Vocational Training through International Cooperation

Vikrant University has solidified its commitment to global academic collaboration by signing a Memorandum of Understanding (MoU) with the Prestigious Integrated Polytechnic Regional College (IPRC) Huye, Rwanda (Central Africa), a government institution committed to empowering the people with essential technical skills for sustainable economic and social development.

By collaborating with IPRC Huye, Vikrant University aims to enrich the academic experience for students from both institutions. The partnership focuses on the implementation of Technical and Vocational Education and Training (TVET) courses catering to individuals seeking skill development and ensuring the delivery of Competent-Based Training (CBT) curriculum, which reflects the shared emphasis on producing graduates equipped with practical, job-ready skills.

This collaboration not only underscores the mutual commitment to quality technical education but also opens avenues for student exchanges, joint research initiatives, and the overall enhancement of educational opportunities for the benefit of both institutions.

Hon'ble Chancellor Mr. R.S. Rathore Signing MoU with Mr. Barnable Twabagira, Principal, IPRC HUYE, Rwanda Polytechnic

CULTIVATING GLOBAL BONDS

Vikrant University's Collaborative Venture for Cultural & Sports Enrichment with Gisagara District, Central Africa

In a bid to strengthen international ties and foster cultural and sports exchanges, an impactful Memorandum of Understanding (MoU) has been established between the Mayor of Gisagara District in Rwanda, Central Africa, and Vikrant University, Gwalior, India.

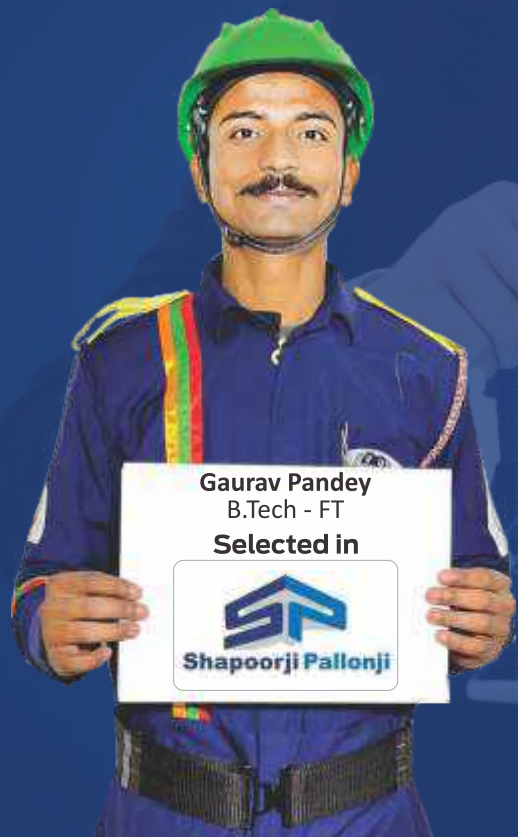

This collaborative initiative aims to strengthen the ties between the two regions through a mutual commitment to cultural and sports activities. The partnership seeks to create avenues for cultural understanding, knowledge sharing, and sports development, providing students and communities from both Vikrant University and Gisagara District with unique opportunities for enrichment.

Through this collaboration, Vikrant University aims to provide its students with unique opportunities for cultural enrichment and athletic development, fostering a diverse and inclusive learning environment.

Hon'ble Chancellor Mr. R.S. Rathore Signing MoU with Mr. Rutaburingoga Jerome, Mayor of Gisagara District, Republic of Rwanda

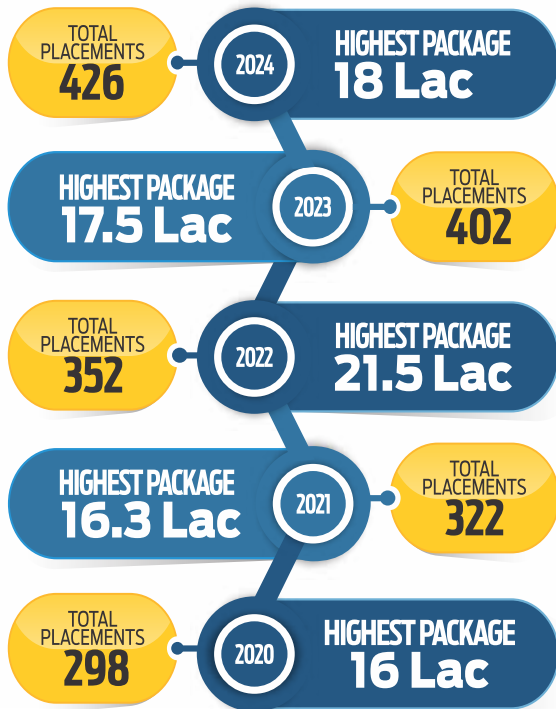

OFFICE OF TRAINING & PLACEMENT

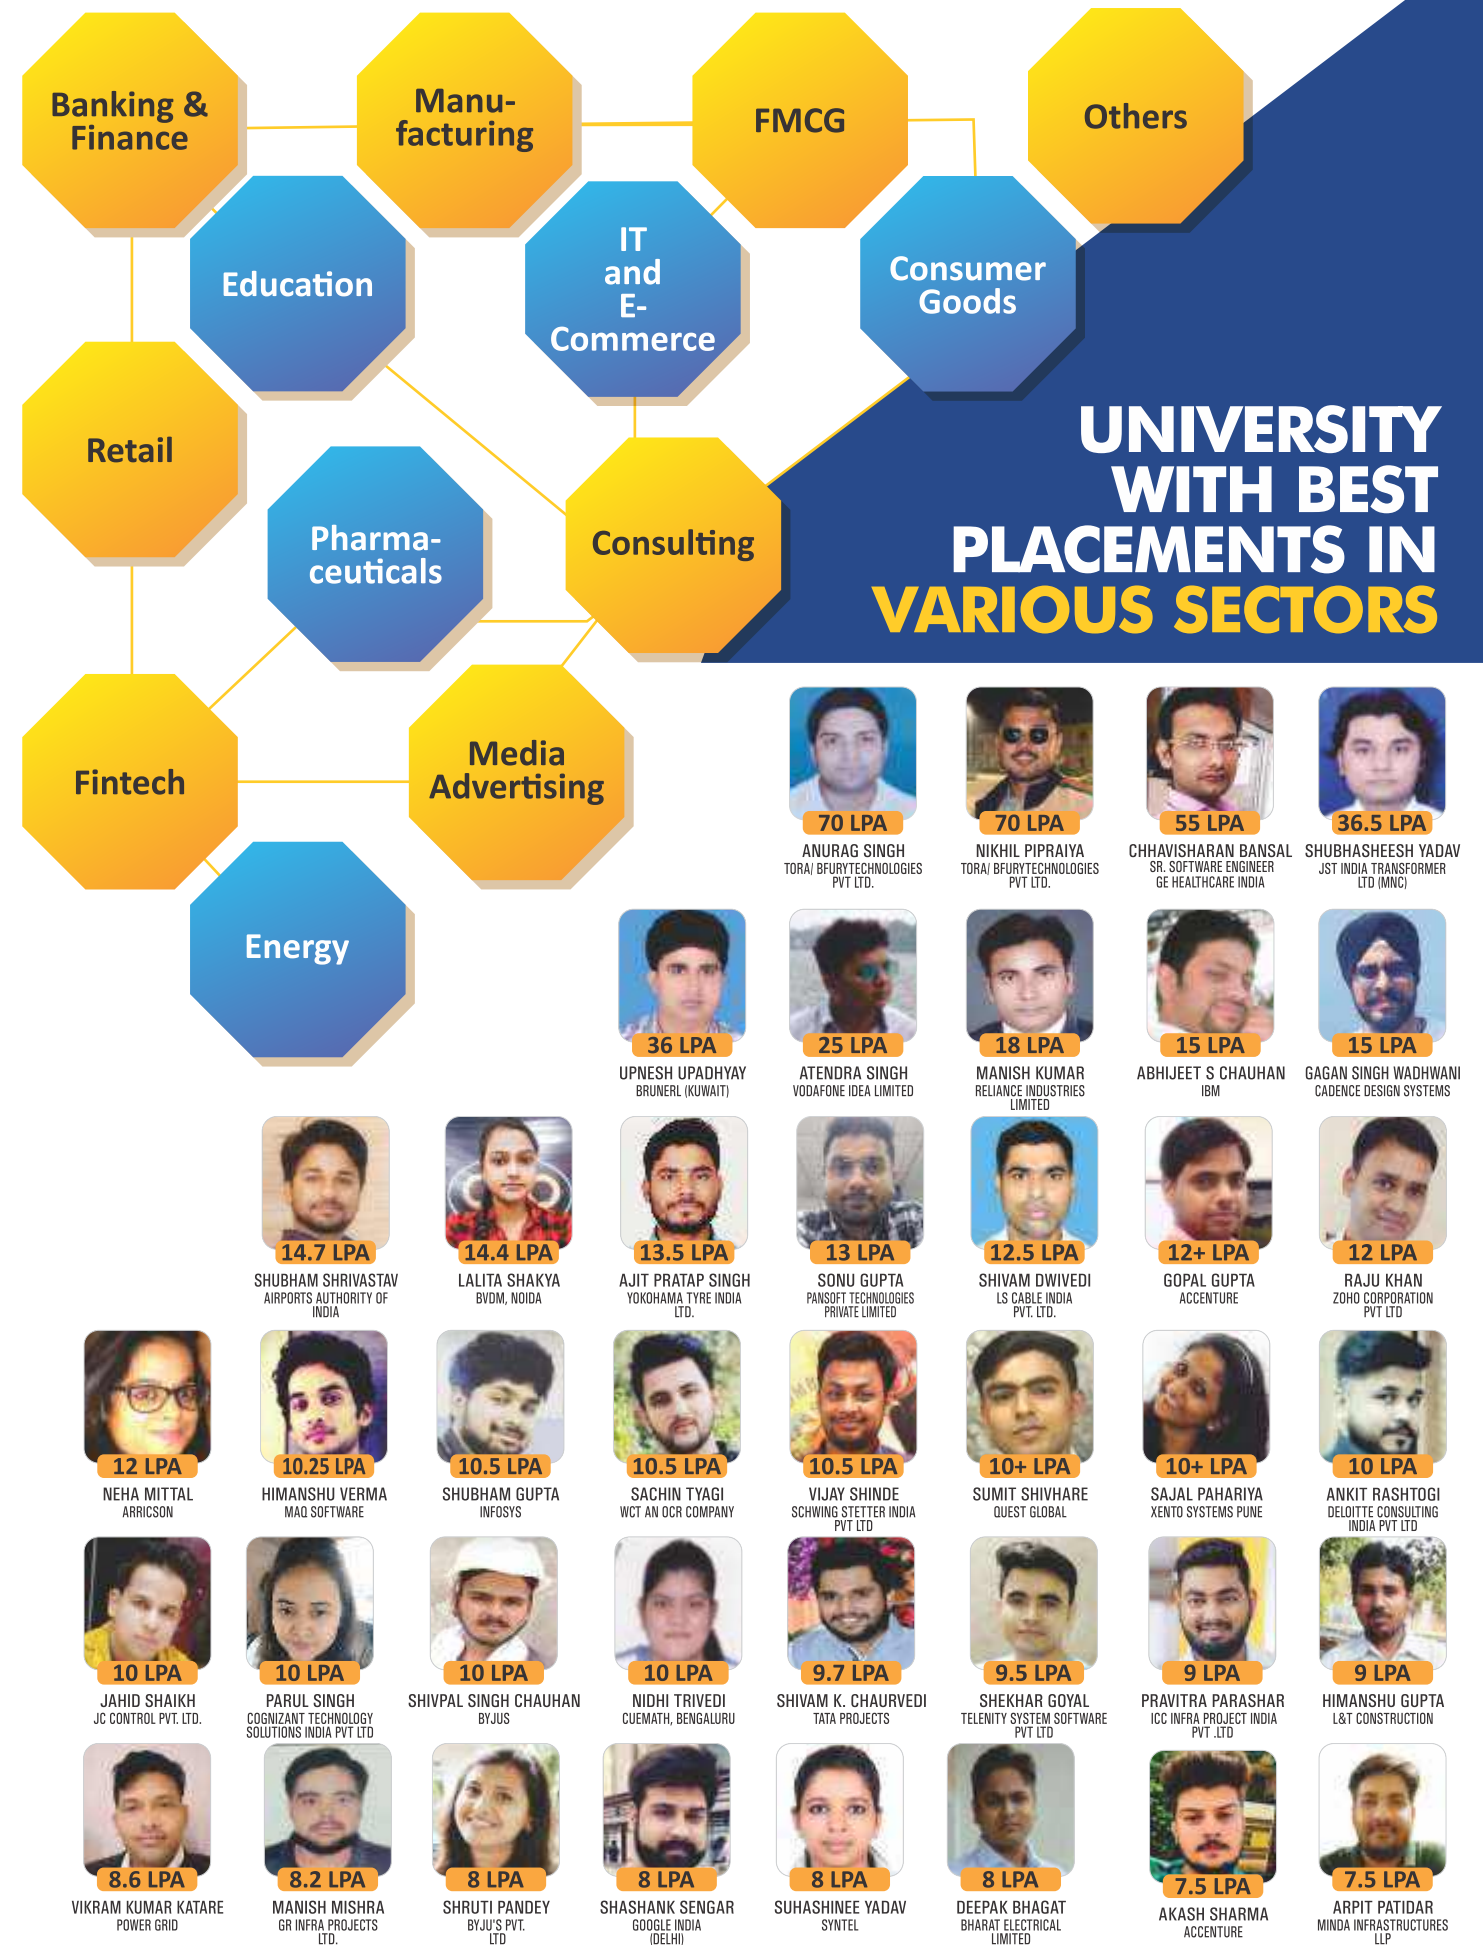

The Training & Placement Office at Vikrant University serves as a vital link between students and the professional world, facilitating their transition into the workforce by providing placement opportunities. Our office actively collaborates with esteemed organizations and institutes to create internship and training programs that equip students with practical skills and industry insights. Through these partnerships, students gain invaluable real-world experience, enhancing their employability and preparing them for successful careers in their respective fields.

Equipped with modern infrastructural facilities, the Training & Placement Office provides a conducive environment for various recruitment activities, including group discussions, tests, and interviews. We ensure that all logistical aspects are meticulously handled, allowing recruiters and students to engage seamlessly. Our office's proactive approach in coordinating campus interviews with over 200+ companies

annually ensures that students from diverse academic backgrounds have access to a wide array of employment opportunities.

With a comprehensive network spanning core engineering, IT & IT-enabled services, manufacturing, consultancy, finance, management, R&D, and more, the Training & Placement Office at Vikrant University caters to the diverse career aspirations of our students. By nurturing strong relationships with industry leaders, we strive to empower students with the resources and connections necessary to thrive in today's competitive job market. Our commitment to bridging the gap between academia and industry ensures that Vikrant University graduates emerge as competent professionals ready to make significant contributions to their respective fields.

STUDENT TESTIMONIALS

SHIVAM CHATURVEDI

I am grateful for the guidance and mentorship provided by the professors at Vikrant University. Their expertise and dedication have nurtured my intellectual growth and shaped my future prospects.

ANKIT KANKAR

I am very grateful to Vikrant Group of Institutes, Both the faculty and Training & Placement Department. The VGI aims at enhancing my knowledge, skills and abilities. And it's a big platform to learn for skill enhancement and to get a great learning experience. And VGI has built my confidence level through which I can survive anywhere.

SUYASHDEEP RAJPOOT

It was a great time we spent in VGI as it has great faculties and they are very cooperative and campus environment is very positive. Training and placement department continuously provides assistance regarding the placement. VGI has made the best efforts to provide all the facilities for the students.

ROMANSHI GOSWAMI

The quality education at Vikrant University has equipped me with a strong foundation for success. The supportive teachers and engaging atmosphere have made my learning experience exceptional.

JESMIN PRAJAPATI

A better human being, a better developer and a dream to achieve something big is all I hoped for when I joined VGI. I am delighted to say that the faculties and the staff have helped me to achieve these dreams. Here, I not only had the chance to develop on my technical skills but also on other aspects such as Leadership & Management Skills.

SHRUTI PANDEY

Here I came as a school girl and now graduating as a corporate woman. Here, I not only developed my academic skills but also got a global exposure in every field be it sports or others. At last I would like to thank all the faculty members for being supportive and helping me in taking off my career to a good start.

STUDENT TESTIMONIALS

“

ZAKIR RASOOL MIR

When I first entered VGI I was anxious about my future. Over the four years so many doors were opened for our personal and academic development that I became confident. The VGI aims at enhancing our knowledge, skills and abilities. In fact, didn't leave the attitude part behind as well.

”

“

SAJAL TIWARI

Vikrant University offers a vibrant and inclusive atmosphere that encourages learning and personal development. The well-maintained campus and conducive environment have made my college experience enriching.

”

“

GAURAV SHRIVASTAVA

The staff at Vikrant University has been incredibly supportive, always available to address my concerns and provide guidance. Their unwavering commitment to student success is commendable.

”

“

SHIVANI YADAV

Vikrant University has provided me with the knowledge and skills to excel in my career. The practical approach and experienced faculty have been instrumental in my growth.

”

“

ANJANI KUMAR

I thank my department and its faculty members for encouraging me to think globally and spread my wings to take off for the land of rising sun and I appreciate the support of my university for shaping my career and getting me placed in such big MNC.

”

“

KIRTI SHRIVASTAVA

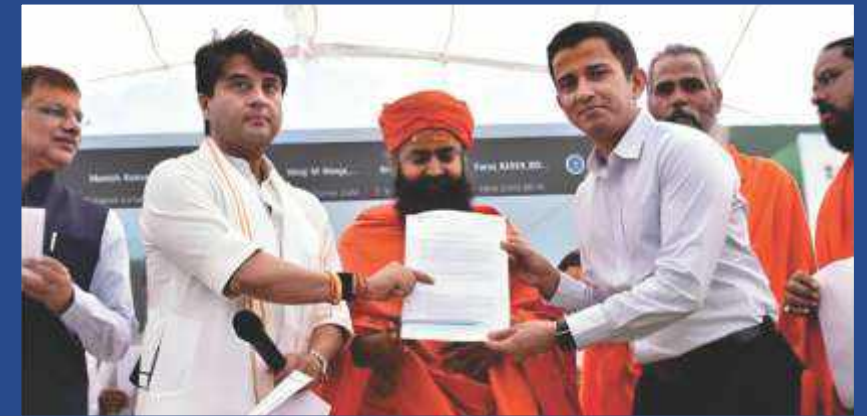

The competitive atmosphere at Vikrant University has pushed me to strive for excellence and unleash my true potential. It has instilled in me a sense of determination and perseverance.

”

BRIDGING OPPORTUNITIES THROUGH COLLABORATIONS

Vikrant University has strategically fostered numerous Memorandum of Understanding (MOUs) and partnerships, solidifying robust connections with both Government and Private entities on National and International fronts. These alliances facilitate skill development by integrating practical industry insights into the curriculum, ensuring that students gain a comprehensive understanding of real-world scenarios. The university's commitment to providing students with hands-on experience is evident through internship opportunities, Industry visits, and workshops organized in collaboration with its corporate partners. Additionally, student exchange programs with renowned educational institutions globally further enrich the learning experience, offering a diverse and global perspective.

This partnership enables our students to get placement opportunities in 6500+ companies which are members of CII.

VIKRANT INCUBATION CENTRE

The Incubation Centre at Vikrant University serves as a dynamic hub fostering innovation & entrepreneurial spirit among its students. With a dedicated focus on nurturing ideation, the center hosts regular workshops, seminar and Startup Nest aimed at equipping aspiring entrepreneurs with essential skills and knowledge. It goes beyond theoretical concepts, actively promoting a startup culture through engaging Hackathons that challenge participants to transform ideas into viable projects.

In collaboration with the Ministry of Education's Innovation Cell and AICTE under initiatives like Institution's Innovation Council (IIC) and YUKTI-National Innovation Repository, the center not only nurtures local talent but also aligns itself with national frameworks. These strategic partnerships position Vikrant University at the forefront of cultivating a culture of entrepreneurship and research, echoing the broader national vision for educational innovation.

CLUB ACTIVITIES

BIS STANDARDS CLUB

Established by the Bureau of Indian Standards, the BIS Standards Club engages in innovative initiatives, aiming to instill in young minds the paramount importance of quality, standards, and the cultivation of a scientific temperament.

HUSTLERS CLUB

Catering to technology, engineering, and innovation enthusiasts, the Hustlers Club organizes coding competitions, robotics workshops, tech conferences, hackathons, and seminars on emerging technologies. Providing hands-on experiences and networking opportunities, the club fuels entrepreneurial spirit and technical prowess.

AUTOMOTIVE CLUB

Exploring the fascination for wheels, this distinctive activity club empowers students to immerse themselves in hands-on experiences, bringing their automotive interests to life.

ELECTRONICS AND ROBOTICS CLUB

Fostering innovation, the Electronics and Robotics Club provides budding engineers with hands-on practical experience, allowing them to cultivate their skills in a supportive environment.

LITERARY CLUB: "SAHITYA SRIJANAM"

Anchored in nurturing literary finesse, fostering imagination, and encouraging eloquent expression, our Literary Club flourishes in the rich realm of written and spoken word arts.

MUSIC & DANCE CLUB

Centered on nurturing artistic flair, fostering creativity, and encouraging expressive growth, our Music & Dance club thrives in the vibrant realm of music and dance.

WOMEN CLUB

As a beacon of solidarity, the Women's Club at Vikrant University thrives on nurturing empowerment, offering a lively haven where women can connect, inspire, and flourish together.

FILM CLUB

Centered on cultivating visual storytelling, fostering creativity, and encouraging skillful expression, our Film Club thrives in the captivating realm of cinematic and photographic arts.

VIKRANT VIGYAN CLUB

Catering to science enthusiasts, the Vikrant Vigyan Club organizes experiments, scientific discussions, and events promoting curiosity in various scientific disciplines. With a focus on hands-on experiences and knowledge-sharing, the club aims to ignite a passion for science and exploration among its members.

LIFE AT VU

Vikrant University provides a vibrant and holistic environment for students, fostering not only academic excellence but also comprehensive personal development. The campus is alive with a myriad of annual events including a Cultural Fest - Queurth, Sports Fest - Spardha, and Technical Fest - Athena, all of which encourage students to explore their talents and interests beyond the classroom. The university's commitment to nurturing well-rounded individuals is evident through its state-of-the-art facilities for sports, arts, and technology. Students at Vikrant University enjoy a diverse and inclusive community, fostering social interactions that significantly contribute to their overall growth and success.

NCC NATIONAL CADET CORPS

Vikrant University takes pride in fortifying its students through exclusive National Cadet Corps (NCC) training, conducted under the guidance of the Army Wing of 15 MP Battalion for boys and the 3 MP Battalion for girls. This initiative ensures that both male and female students receive specialized NCC certifications, fostering qualities of discipline, leadership, and teamwork.

Benefits of NCC

- Reserved IMA Vacancies: Army Wing certification from the NCC grants individuals 20-25 reserved vacancies at the Indian Military Academy (IMA)
- Direct SSB Entry: NCC-certified individuals benefit from an exemption from the written CDS exam, receiving a direct entry to the Service Selection Board (SSB).
- CAPF/CPO Preference: NCC certification grants priority in interviews for Central Armed Police Forces (CAPF) and Central Police Organizations (CPO), recognizing and valuing NCC-trained skills and discipline.

SEVERAL ACCOLADES

Vikrant University stands as a beacon of educational excellence, adorned with numerous accolades. Our esteemed faculty, dedicated staff, and talented students have collectively earned prestigious awards, reflecting the unwavering commitment to our educational mission. These accolades serve as a testament to the outstanding contributions made by the Vikrant community in shaping future leaders and fostering a culture of academic brilliance.

DIGNITARIES & CELEBRITIES @ VIKRANT
